Date: May 11, 2009
Subject: Display Area Dimensions

GUILDERLAND PUBLIC LIBRARY

Display Cases

(See picture of one set of cases, at right.)
Available in sets of two, left side and right side.

Case Dimensions:

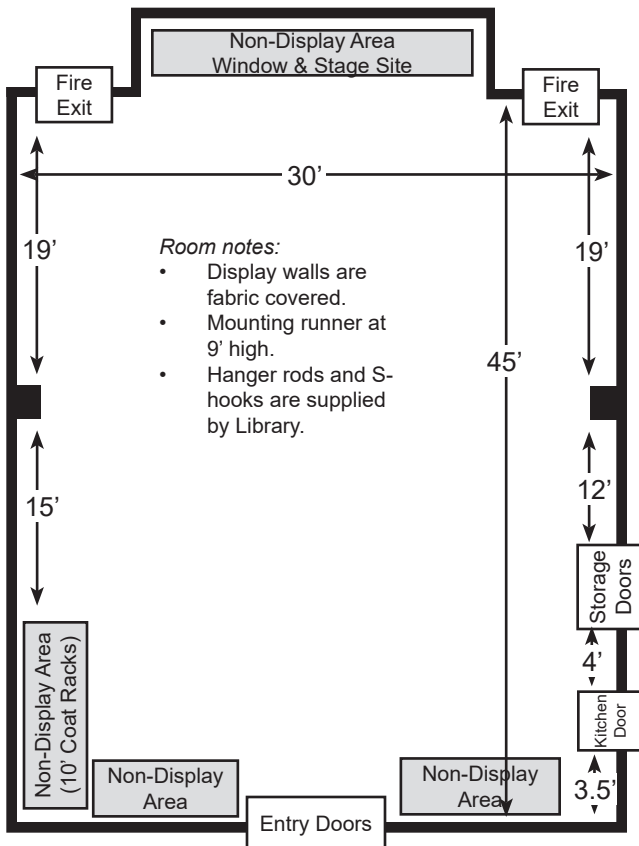

- Width: 54.5"
- Height: 78"
- Depth: 18"
- Depth of glass shelving: 12"; butts against back wall
- Oak wood. Slate floor. Brick surround.
- Case is secured with keyed commercial cylinder lock.

Notes:

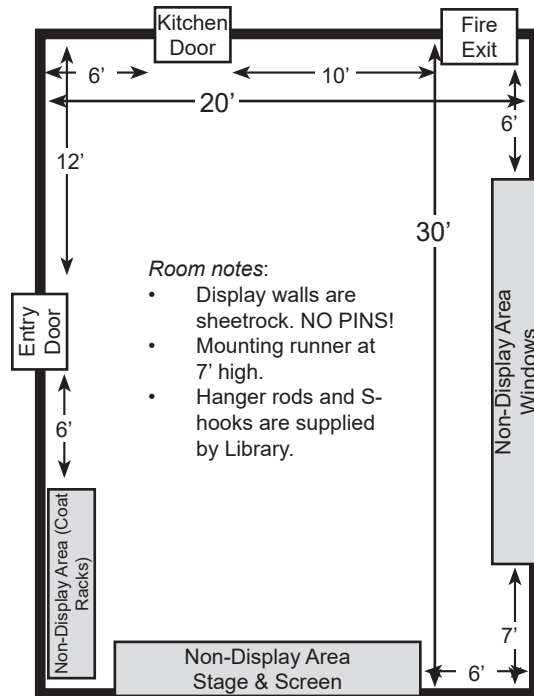

1. Center divider prevents "double-wide" displays.
2. There are four sets of two cases each.
3. Glass shelving is vertically adjustable in standard 1" increments. Shelf mounting is via spring clips.

Exhibit Rooms: Helderberg Room

Normanskill Room
