Summer Reading Club Registration & Ice Cream Sundaes!
Thursday, June 28 @ 6 pm
Libraries Rock! at the 2018 Summer Reading Club! We’re planning a wonderful summer here at GPL packed with activities, crafts, programs and, of course, books!

Starting at 6 pm on Thursday, June 28, we’ll be ready to sign you up for the special events taking place during the summer. Be sure to join us for a build-your-own ice cream sundae party to kick-off the festivities!

Check our soon-to-be-published Kids and Teens brochures highlighting all the program details for the summer. We’ll be sending them home from school and we’ll also have copies available at the Library.

CALLING ALL TEEN VOLUNTEERS!
If you’re looking for a summer volunteer opportunity, please see page 7 for information on being a Summer Reading VolunTeen! Mandatory information sessions (there’s a voluntary one for a parent/guardian as well; see page 5) will be held Monday, June 25 or Tuesday, June 26, at 7 pm.

About the Library’s Proposed 2018/2019 Budget
The Library’s Board of Trustees has approved a 2018/2019 operating budget of $3,882,276. This is based upon a tax-levy of $3,806,276. Details of the budget are provided on page 2.

There are a number of significant differences in this year’s budget from last. Notably, there is an increase in programming funds to support the many extraordinarily popular events and classes created by our Librarians. We have added funds to purchase additional eBooks due to the growing demand, but not at the expense of traditional print media. Our “Library of Things,” which enables you to borrow non-traditional items you really need at home but don’t necessarily want to buy, is included in the Special Collections line.

We are about to install a new heating and ventilating system which is, in effect, already paid for through savings; this is why there is a substantial drop in the Building and Equipment Maintenance line. As you know, the library building is 26 years old, and the HVAC system is inefficient, prone to fatigue failure, and costly to run. Our Utilities budget has dropped 10% because of savings anticipated from this new system and other improvements – notably LED lighting – made recently.

Professional Services increased 200% in anticipation of

The Great American Read
Premiering Tuesday, May 22
Books and PBS television – what’s not to love? Starting May 22, you can be part of a national conversation about reading and books called “The Great American Read,” an eight-part television and online series featuring 100 books that have inspired Americans over the years. The series premieres Tuesday, May 22 at 8 pm on WMHT. Over the summer, read the books and vote for your favorites at www.pbs.org/the-great-american-read/. Throughout the fall, we’ll be hosting programs that highlight some of the titles that made the list of 100 most-beloved books!

Family Concert, with Heard Live World Jazz
Friday, June 29 @ 6 pm
Heard’s sound aims to awaken your ears, enliven your heart, and get you up and dancing! Heard will present their original and traditional world music repertoire, with influences from West Africa, Brazil, the Middle East, and places in between. Their multimedia concert is interactive, so be prepared to move, groove, and learn something new about our world’s diverse soundscape.

Barry Nelson

Mr. Nelson is a 43-year resident of Guilderland, and has three adult children and six grandchildren. He holds a BS in Clinical and Social Psychology from SUNY Albany, and is retired from his career as a Budget Analyst, Personnel Administrator, and Health and Safety Officer for New York State. He is a Past President of the Friends of the Guilderland Free Library, and continues his 30 years of service as a Volunteer Fire Fighter with the Westmeire Fire Department.

Mr. Nelson’s statement: As Health and Safety Officer for New York State, and as a Volunteer Fire Fighter, I am especially attentive to safety. As a Trustee, areas in the Library I’d work to improve safety are:

- Parking Lot: Driving lanes are one way, but the only markings are pavement arrows which cannot be seen at night or in rain. “One Way” signs would increase safety.
- Overflow Parking Lot: It’s very dangerous walking to and from this lot with vehicles speeding on Mercy Care Lane.

Most critically, while the Library has smoke detectors, it has no sprinkler system. In the event of a fire, the absence of such a system could result in a major fire which a sprinkler system could contain. Without a sprinkler system, books will be lost, and employees and patrons would be at significant risk.

My budget, fiscal, and systems-analyst experience will also help improve the Library.

Michael Marcantonio

Mr. Marcantonio is married, has two adult children (both educated through the Guilderland Central School District), and has been a Guilderland resident for 33 years. He holds a BS in Accounting Management from the College of St. Rose. He retired from Knolls Atomic Power Laboratory in 2014, after 36 years of service.

Mr. Marcantonio’s statement: I would like to thank the community for this chance to serve them on the Board. Identifying community needs is the biggest challenge I would face in this role, along with providing programs and working with other organization to meet those needs.

For many years, I was on Guilderland’s Zoning Board of Appeals. I am a member of the Advisory Council for the Guilderland YMCA, and have participated in several organizations in the town and school district with my children. As a Trustee, I would use my experience in building bridges within the community to help our Library succeed in the 21st century.

I believe a public library is ultimately a place for our children to learn and grow. With excellent leadership, superior communication skills, and plentiful resources, we can continue to make the Guilderland Public Library a place for our community to develop. I welcome this opportunity to be a part of it. Thank you.

Nareen Rivas

Ms. Rivas is married and has two boys; one attends Guilderland Elementary School while the younger is in preschool. She and her family have lived in Guilderland for six years. She holds a BA in English Literature from SUNY Oswego and a Master’s in Special Education from CUNY, The City College of New York. She is a stay-at-home mom, but before that she had an eight-year career as a teacher in New York City, working in special education. Her last position was an Evaluation Coordinator for the Visiting Nurse Service of New York.

Ms. Rivas’ statement: I can’t believe almost a whole year has flown by since becoming a Trustee. As a novice, there was a lot to learn, such as budgeting and how the library functions, but along the way I have had nothing but support from my fellow Trustees, and encouragement from the community. Serving as a Board member has solidified all the reasons I wanted to run in the first place; not only do I continue to admire all the wonderful programs the librarians put together for the patrons, and continue to be in awe of how much information is readily available to us just by owning a library card, but there is no better way for me to serve my community than to help make the Guilderland Library into an integral place for future generations.

Annual Report 2017

Our 25th Anniversary Year was a busy one. Through innovative programs and partnerships, we expanded service to the community, brought record crowds into the Library, and began exploring plans for a renewal of the Library building.

Quality programs and classes are hallmarks of our library, no more so than in 2017 when a total of 22,674 adults, teens and children — an increase of 5,700 over the year before — at 797 programs. The types of programs attracting all this attention:

- **Concerts:** At least one a month. January’s Sonny & Perley concert was also a recording session (in the Helderberg Room!) for that popular duo.
- **Consumer Health Programs:** With topics ranging from RAD Self-Defense for Women to Getting a Good Night’s Sleep, most are done in collaboration with a variety of community providers.
- **Writing Programs:** GPL Poets Workshop (May); Songwriters Workshop (September-October); Writing for Caregivers (October); Story Writing for Teens and Tweens (November).
- **Drug Take-Back Days:** In April and October each collected enormous amounts of expired, unused, and unnecessary prescription and over-the-counter medications; these events are held in cooperation with the Guilderland Police and the DEA.
- **Trivia Challenges:** Game of Thrones, 80’s Decade, and 90’s Decade.
- **Pinterest Wins:** These monthly events tapped into the community’s desire for creative programming. Every program was filled to capacity.
- **Youth & Family Programs:** Our most popular youth program is the Three Little Birds Music and Movement class, held each Monday by Librarian Josalynd Wilder. Turnout is so large – often between 150 - 200 children, parents, and caregivers – that we have to hold it in the Helderberg...
Annual Report 2017

continued from page 3

Room. The emphasis is on the importance of music in developing literacy skills. Josalyn is Kindermusik certified, but the real success of the program is in the very engaging and charismatic manner she runs the program; a lot of dancing, music, singing that consistently results in very happy and organized chaos.

- “Jazzy GPL” The Guilderland Library Foundation’s Quarter-Century Celebration and Cocktail Reception in October was a huge success, bringing community leaders and library users and supporters into the Library, which had been transformed into an event space. It was an opportunity for everyone to see all the many new things the library does, collections and services never envisioned when the library was designed and built.

- Outreach: Our Pop-Up Library program provides a new dimension to Library Outreach. Librarian Ann Wemple-Person has brought the library to the community. With her leadership, and the support of her colleagues in Programs and Services, as well as staffers in Circulation, Administration, and Information Technology, we did a wealth of outreach programs in 2017, reaching HUNDREDS of patrons. Here’s a short list of where our library has Popped Up!: Hannaford KidzExpo at the Plaza, Tulip Fest in Washington Park, Lupine Fest at the Albany Pine Bush Discovery Center, and others. These have proven to be an excellent means of promoting the Library outside of our brick-and-mortar building.

- Library of Things: Supplementing our traditional collections is one that became extraordinarily popular in 2017: Our “Library of Things,” an assortment of non-traditional (in the library sense) items – everything from Amazon’s Echo Dot and portable WiFi Hotspots to Metal Detectors and Cake Pans – that customers try out at home before possibly investing in their own.

- A great story: A library patron, recently retired, knew only the basics of her family’s ancestry. After taking an adult education class on genealogy, and learning about the online databases Ancestry.com and Family search, she made some family connections and started ordering microfilm of birth, marriage, and death records from the Family History Center in Utah (GPL is an affiliate library). During the last year, her very small family tree has grown to more than 7,000 people, going back further than six generations in Italy. A DNA kit led her to even more unknown relatives! Her advice, wisdom shared by many genealogists, is: “Start with what you know, and work backwards from yourself!”

As to the future: Last spring we began a series of community conversations to learn your thoughts on how the library can serve you over the next 25 years. Your responses started a planning process that may result in a “renewal” of the library. To see what’s possibly in store for the library, please visit www.guilderlandlibrary.org/renewal.

Proposed Budget

continued from page 1

project management and consulting fees related to a possible renewal of the library’s building. The Board continues to work with the architectural firm of Butler, Rowland & Mays to draw up renovation plans to assure that the Library can meet the community’s needs for decades to come.

Finally, last year we anticipated receiving grants in the amount of $280,000; these grants never came through. In creating the proposed budget, we did not incorporate any such monies, thus reducing our income. We will, of course, continue to pursue grant revenue.

As is always our practice, we negotiate reduced prices for services as often as practicable. We are always cognizant that the success of our library is due to the support of our community. Our goal with this budget is to ensure your library gives you the service you expect, now and in the future.

We, your elected representatives, propose this budget and urge you to vote on May 15.

Respectfully submitted,

Cut the Cord: How to free yourself from cable!
Tuesday, May 15 @ 7 pm
What is the difference between cable TV and streaming? How can you watch your favorite shows without cable TV? It can be daunting to keep track of all the devices and services available! Join us for a high-level overview of the try-before-you-buy devices in our Cut-the-Cord circulating collection, and find out if cutting ties with your cable company is right for you.

Painting Your T-Shirt
Tuesday, June 19 @ 6 pm
Painting your own T-shirt is a great way to have some fun and make a bold, personal statement. Fabric painting opens up endless opportunities for transforming your wardrobe and your home. It allows you to create one-of-a-kind pieces of wearable art. All materials provided.
Adults are welcome to this fun program. Teens will be there, too.

Baking With Off-Grid Grains
Saturday, June 2 @ 11 am
Curious about flour? Come study grains. In this session, we'll look at the structure of grain kernels, different types of grains, milling styles and leavening processes. We'll discuss what is known and not known about nutrition of bread and grains, and help you interpret the myths and facts swirling about our daily bread. We'll bake hoe cakes from freshly ground grains, and you'll leave with a full belly and a good understanding of how to approach grains as a baker.
Your presenter is Troy-based author Amy Halloran; she'll also sign and sell copies of her book, The new bread basket: how the new crop of grain growers, plant breeders, millers, maltsters, bakers, brewers, and local food activists are redefining our daily loaf.

3D Geometric Origami
Friday, June 8 @ 7 pm
Learn the beautiful Japanese art of folding paper into 3-D geometric shapes. Get a great feeling of accomplishment from making geometric paper objects with your hands! All supplies will be provided. Beginners are welcome, and experienced paper folders are invited to come and share their skills.

Cybersecurity for T(w)eens (and Parents, Too!)
Monday, May 7 @ 6:30 pm
Is your middle-schooler being safe and smart online? Come learn about the questions you should be asking and the conversations you need to be having with your kids! There will be time for Q&A. Program provided by the Guilderland Police Department. For students in grades 6 - 8, with a parent/guardian.

Car Seat Installation/Safety Check
Saturday, June 9 @ 11 am - 3 pm
Is your little one’s car seat properly installed? Do you need a car seat installed? The Guilderland Police Department will be on hand to make sure your child is riding safely.

Parent Information Session for VolunTeens
Monday, June 25 @ 7 pm, or Tuesday, June 26 @ 7 pm
Get all your questions answered about GPL’s Summer VolunTeen Program and GPL’s expectations for you and your child. Please see page 1 for more information.

Be Safe Online
Internet Safety and Security
Wednesday, May 16 @ 6:30 pm
Learn good practices for internet safety and security with Sarah McFadden from Cornell Cooperative Extension. She’ll cover good password strategies, ad blockers, email scams and phishing, viruses, and much more.

Senior Safety – at Home, Online, In Your Community
Tuesday, May 22 @ 1 pm
In this class, officers from the Guilderland Police Department will give you tips to help keep you safe at home and out in the community. They will also discuss internet safety and security, and how to avoid online scams that target senior citizens.

Parents: Be sure to check out Cybersecurity for T(w)eens (and Parents, Too!) above.

May 12: Baby Animals

AN IMPORTANT NOTE ABOUT STORYTIMES:  
If the Guilderland Central School District is closed, or delays classes, Storytimes are not held on that day.  
Children must be accompanied by an adult caregiver at all Storytimes.

WE NEED YOU!
For a World Languages Storytime!
Are you a native speaker of a language other than English? Do you have experience working with young children (ages 0-5)? If the answer is “yes,” we want to hear from you!
Beginning in the Fall of 2018, we would like to offer monthly bilingual family storytimes in the languages that our patrons speak at home. We need parents/teachers to partner with us in planning and implementing these programs.
If you are interested, please contact Beth Rienti, Head of Youth Programs & Services, at 518-456-2400 x 4.
