

Closed off
More quiet
Angry
And mourning.
Failure
Short of breath
Lost communication.
The silence is saddening
But quite relaxing.
Opening eyes
To the reality of earth.
Failed calls
Contact withdrawals
When does it end?
Through all
The uncertainty
Our lives still await.
A day of normalcy
Is soon to greet us.
Grateful and relieved
We all may come together
Triumphantly we may finish
To a better world tomorrow.
