

The Big Day!

It was one bright sunny Friday on Strawberry lane 1234. There was a HUGE mansion that belonged to Stacie and her family down the road. Stacie was in her room doing her homework when her mom called her down for breakfast. It was Stacie's favorite breakfast of the week: French Toast! Stacie and her family had a breakfast plan for the week:

Monday: Pancakes

Tuesday: Waffles

Wednesday: Bagel and cream cheese

Thursday: Cereal

Friday: French Toast

Oh...I totally forgot to introduce the main characters in this tremendous story.

What are we waiting for? Let's meet them!

Stacie: She is 13 years old, she wears glasses, loves to bake, she is on the tennis team in her school and lastly she has a dog named Bella.

Katie: She is also 13 years old, she has a younger sister named Sarah, she is on the champion soccer team in her school and she has a dog named Cooper.

Now that we have introduced the main characters let's get onto the story! Where was I? Right, I was talking about Stacie's breakfast plan! Now, that you know the breakfast plan let's get onto the real story! It all started when Stacie facetimes her best friend Katie. When Katie picked up the phone she looked very despondent. Stacie immediately asked what was wrong and Katie replied " Oh.... I lost my lucky wristband, I have a game tonight and since it's a very far away game, me and my team are leaving at 8:00 on a shuttle bus and we are only coming back at like 10:00 in the night!" So, Stacie asked "Hey, do you want me to come over to help you find your wristband?" Katie replied " Yes, that would be so helpful! Thanks so much, see you in 5 minutes!" They both ended the call and Stacie thought it would be really fun to make red velvet cupcakes to cheer her friend up! So, she went into the kitchen and started baking! After 1 hour the cupcakes were finally ready! Stacie put them in a cute bowl and started on the long walk to Katie's house! Once she got to Katie's house she hid the cupcakes behind her back and rang the doorbell. Katie's dog Cooper was really excited and came scratching at the door! A second later Katie came and opened the door and Stacie showed the red velvet cupcakes and screamed " SURPRISE"!!!! Katie sure did get surprised! A few minutes later they both went up to Katie's room and searched and searched and searched for her lucky wristband but couldn't find it anywhere! " We have been searching for almost

1 hour Katie!” Stacie said. “ Can we go take a break now!” And Katie said “Yes, of course! They rushed downstairs and ate the red velvet cupcakes! After eating they searched for another hour, but they still couldn’t find it! It was time for Katie to leave to catch her shuttle bus with her team! Katie looked so brokenhearted but thanked Stacie for trying to help her find the bracelet! Stacie started back on her long walk home and Katie waved goodbye from the door! After Stacie had left, Katie searched a little bit more and then started to pack her soccer clothes and her cleats. It was 7:45 and Katie searched one last time until 7:50 and then she knew she wouldn’t be able to find it in time, so she asked her mom to drop her off at the place where the shuttle bus would pick them up! She waved goodbye to her mom and the shuttle bus pulled off!

***** Later that same day*****

Katie and her team were just about to play and were on the field! 3 2 1! GO! Yelled the coach and they started to play! A few hours later the game was almost over and Katie had scored 5 goals! Even Katie herself was startled and thrilled by that! After the game was over, Katie and her team got on the shuttle bus to go back home and Katie was really excited to tell her best friend that she and her team had won the game!

*****The

next

day!*****

Stacie called Katie and asked for updates on the game and Katie said their team had won and they both started screaming and jumping up and down on their beds!

Stacie had made a cake for Katie and her team. She brought it over to Katie's house!

Katie called all her teammates and they had a great big party at her house! Then

Stacie pulled Katie to the side and said " I knew you could do it, even without your lucky wristband, all that matters is to get your head inside the game and you can

do anything! You didn't win because you had your wristband, you won because you had the passion for soccer and that's all that matters!"

THE END!!!
