Looking back 100 years

Prohibition...100 Years Later!
In January 1919, the U.S. Senate ratified the 18th Amendment, establishing the prohibition of “intoxicating liquors” and making it part of the Constitution. Prohibition officially began one year later, on January 17, 1920. It lasted 13 years, a period marked by bootlegging and speakeasies, and proved difficult to enforce. Historically, Prohibition is fascinating – from its political and religious origins, to groups that vigorously opposed it, to its impact on social mores. We hope you’ll join us to mark this centennial!

The Prohibition Era:
A Confusing and Misunderstood Time
Saturday, January 18 @ 2 pm
Richard F. Hamm, a history professor who has studied Prohibition for more than 35 years and is co-editor of a forthcoming book, Prohibition’s Greatest Myths: The Distilled Truth About America’s Anti-Alcohol Crusade, will cover some of the common myths and misunderstandings about Prohibition, the 13-year failed “noble experiment.” Beyond debunking, he will explain how Prohibition became such an important policy goal and was added to the Constitution.

Wicked Albany:
Lawlessness & Liquor in the Prohibition Era
Wednesday, January 29 @ 7 pm
What was Albany like during the “Roaring 20s?” University at Albany Professor Frankie Bailey will paint a picture of stark contrasts, as Prohibition produced the exact opposite result of its intent: merely forcing alcohol-related commerce underground, and lawlessness and violence to the forefront.

Bootleggers and Rum Runners Film Series
Friday, January 17 @ 2 pm: The Roaring Twenties (1939)
Starring James Cagney and Humphrey Bogart, this film set in the Prohibition era is still widely considered the greatest gangster movie of all time.

Friday, January 24 @ 2 pm: The Public Enemy (1931)
Two young hoodlums (James Cagney and Eddie Woods) rise up from poverty to become petty thieves, bootleggers, and cold-blooded killers. Also starring Jean Harlow.

Friday, January 31 @ 2 pm: What! No Beer? (1933)
Buster Keaton and Jimmy Durante star in this comic tale of two men who naively try to cash in on the waning days of Prohibition by peddling their accidentally-diluted beer.

Meet Baseball Hall of Fame President Tim Mead  
Monday, January 6 @ 10 am

Get to know the new President of the National Baseball Hall of Fame and Museum (and Library!), Tim Mead, who took the helm at Cooperstown last summer. Prior to this role, Mr. Mead served as Vice President of Communications and Assistant General Manager during a 40-year career with the Los Angeles Angels. Mr. Mead will talk about the upcoming Hall of Fame elections (results announced January 21st), and about working with three Angels owners including Gene Autry and Arte Moreno, as well as two of the greatest players in baseball history, Mike Trout and Albert Pujols. He will then field baseball-related questions from the audience. Join us for this special event!

AARP TaxAide preparation by trained and IRS-certified volunteers begins Monday, February 3 at the Library. These appointments are Mondays and Saturdays only, February 3-April 6. You must have an appointment; no walk-ins.

Bring to your appointment:
• Photo ID
• Social Security card for all people listed on the tax return
• Copy of your 2018 returns
• All 2019 W-2s and 1099 forms
• End-of-year brokerage statements
• All supporting documents for itemized deductions

TaxAides cannot complete returns with rental income or Schedule C (Business Profit and Loss) if you’ve had a loss or expenses over $25K. Filing jointly? Please note that both taxpayers need to be present, except in cases of illness or infirmity.

AARP TaxAide Preparatory Call
All tax appointments are scheduled by dialing United Way’s 2-1-1 call center, starting Monday, January 13 at 9 am. Lines may be busy; please be patient. **PLEASE DO NOT CALL THE LIBRARY.**

Feeling Stuck? Write:  
Journaling as a Self-Care Tool  
Saturday, January 18, 25 and February 1 @ 9:30-11 am

Research shows that writing can be as beneficial as regular exercise, a healthy diet, and talk therapy for overall well-being. Moreover, writing doesn’t require fancy equipment, big investments, much time, physical prowess, or special talent; it’s an activity that’s accessible to everyone. This class aims to help you establish a regular journaling routine. We’ll learn to tap into the value of writing as a lifelong self-care resource. **This series is led by Sara Kennedy, Assistant Professor of English, Foreign Languages and ESL, at Hudson Valley Community College.** Space is limited, and participants are asked to attend all three classes.

Teaching and Writing about Grief:  
With Professor Jeffrey Berman  
Saturday, February 15 @ 2 pm

Jeffrey Berman, Distinguished Professor of English at the University at Albany, will talk about the topic “Teaching and Writing About Grief.” He’ll discuss the educational and psychological value of writing about love and loss in a college setting and the importance of grief memoirs.

HAPPY NEW YEAR!
As the director of Guilderland Public Library, I routinely wear many hats. Here’s one I’m particularly excited about – a hard hat! We’re preparing for the construction phase of our Library Renewal Project – which won’t be happening for awhile, but it’s never too early to plan ahead. We are excited about the prospect of serving you better with an improved facility to accommodate community needs. This project is roughly a three-year process. Our proposal received State Education Department approval during the fall of 2019. Since then, we’ve been meeting with Ballston Spa architecture firm Butler Rowland Mays, LLC to articulate more detailed building project plans. They specialize in library renovation, and their expertise is incredibly helpful. We hope to go to bid around October 2020, and commence construction soon afterwards, anticipating completion of the renovated facility sometime around July 2022. As this project gradually takes shape, we will report more as we know it. Feel free to check our website for updates as well. We’re looking forward to a clear vision in 2020 for Guilderland’s enhanced gathering place for lifelong learning...your friendly local library!

Tentative Library Renewal Timeline:
project bids - Fall 2020
construction begins - Spring 2021
project complete - Summer 2022

As we begin a new year and decade, may I suggest a New Year’s Resolution? Make it a point to take advantage of YOUR library more often in the coming year. If you’re picturing dusty books on shelves and librarians shushing you from yesteryear, you’ll find that it’s changed quite a bit. We offer SO much more in terms of programming and items you can check out, and it’s constantly evolving. Great things are happening! There’s something here for you, guaranteed. Come find it... and make this library your own.

Library of Things
Our Library of Things is constantly growing! You can borrow all kinds of items to help with party plans, food prep and entertaining; electronic gadgets and gizmos; devices to test cutting the cord with cable; 100+ board games, and much more! Here are some items we’ve recently added: karaoke machine,...bluetooth speakers...trekking poles...Instax cameras...Sega Genesis mini...Scrabble...Throw, Throw Burrito game,...Jaws game.

We also have free or discounted admission to 26 museums in the tri-state area...and so much more! Stop in to discover all you can borrow from us!

Libraries Play a Key Role in 2020 Census
The U.S. Census Bureau’s push to collect 2020 Census information online has put libraries with trained staff and public access to the internet on the front lines in the quest for an accurate count. In addition to having the personnel and equipment, libraries are trusted community hubs where people from various socio-economic levels and ages gather, making us a natural fit to facilitate this effort.

Not everyone in the U.S. has a computer, smart phone or internet access. According the Census Bureau’s 2018 American Community Survey, it’s estimated that 12.3 percent of Capital Region households don’t have internet access. The 58 public main and branch libraries in our area will need to fill this void, in addition to assisting non-computer savvy residents.

The American Library Association is coordinating with member libraries to gear up for this endeavor. As libraries help citizens enter their data online, everyone has a vested interest in ensuring an accurate 2020 Census count.

We’re Moving into Overdrive!
You can get your eBooks AND magazines in one app, now that Overdrive Magazines is back and better than ever! Starting January 2020, you’ll find magazines like Good Housekeeping, Us Weekly, and Forbes exclusively on Overdrive. Don’t worry – fan favorites are still available from Flipster. There, you’ll find People, Martha Stewart, Real Simple and more inside this easy-to-use app.

In other Overdrive news: Our new “Lucky Day” eBook collection is available only to GPL cardholders. No wait list – No holds – No renewals – 14 day loan. Visit www.uhls.overdrive.com and login with your GPL card to find these popular books. Look near the top of the webpage for the “Lucky Day” banner, and see if you can snag a copy of the hottest eBooks and audiobooks! Prefer to use the Libby app on a mobile device?
