Dear Patrons,

As you know, the Guilderland Public Library has been closed in order to be in compliance with and pursuant to [Executive Order 202.8](#) of the Governor of the State of New York, dated March 20, 2020 as modified by [Executive Order 202.13](#) dated March 29, 2020.

We have decided to provide some virtual programming over the internet in an attempt to give our patrons some much needed distraction during this time and so we may continue to connect with our community.

Please be advised that the Library makes no warranties and/or representations concerning the virtual programs. Your decision to participate in the programs is an express consent on your part to waive any and all claims against the Library which may result from said participation and hereby release and discharge the Guilderland Public Library from any and all liabilities.

Thank you for your continued support of the Library.

Wishing you and your families good health.
