

STAFF BOOKSHELF PICKS

FROM OUR SHELVES TO YOUR READER

The staff at GPL scoured their own bookshelves at home for titles they'd recommend for great reading. Every one of these titles is available to download in Overdrive, either as an eBook or a downloadable Audio book -- some as both! If you're looking for something new and perhaps "off the beaten track" to read, consider one of these "curated" titles!

Visit uhls.overdrive.org to search for and download one of these titles to your device.
