### MUSIC

The Ants Go Marching

### RHYMES

#### Insects

Is that bug an insect?  
Can it be?  
Count the body parts.  
Are there three?  
Count the legs.  
Are there six that you see?  
On its head  
Are there two antennae?  
If you answer yes, then we can agree.  
That bug is an insect. Absolutely!
